# The "Sail On" Rhythm Pattern Instructional Guide

The chords and keys of music are presented with tones that are used in the voicings of the rhythm. Visit
https://www.learncolorpiano.com/the-sail-on-rhythm-pattern-video-tutorial/ to view the rhythm pattern tutorial.

This rhythm pattern starts out in key of D flat Major. Each tone in the key is represented by these 7 different colors.
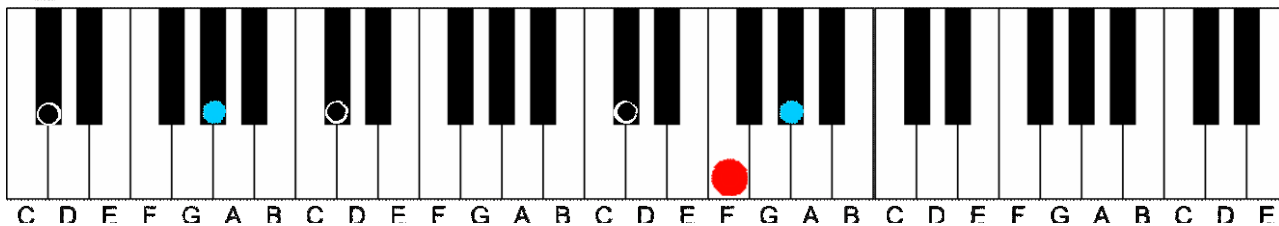

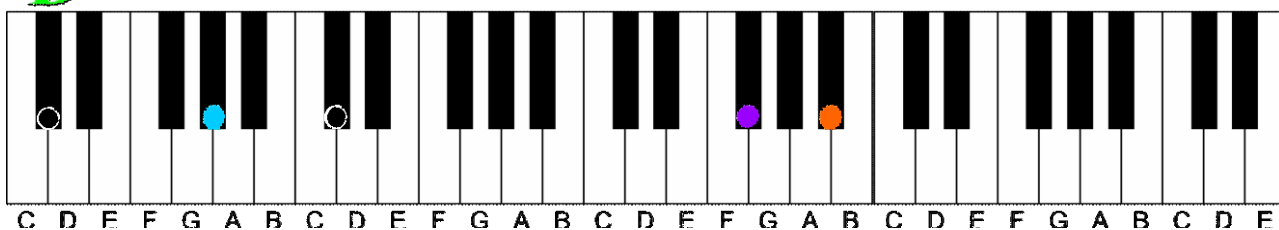

Key of D flat Major
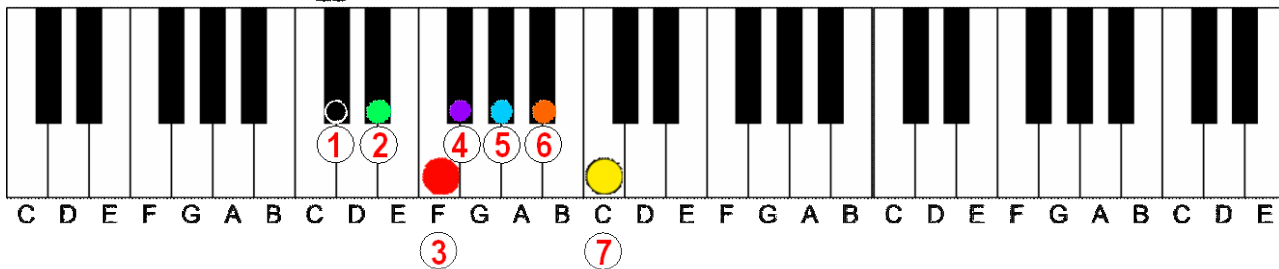

The folowing chords are used in the key of D flat Major for the rhythm pattern. They are played in different voicings, so refer to the video for the specifics on playing the rhythm.
